

#### Apache - Top Class, Top Quality Range

Quads Direct Ltd offers a large range of Apache Quads and ATVs for a wide variety of purposes. There's a quad to suit every member of the family too - from the smallest child or competitive junior to the more adventurous adult rider seeking the ultimate experience.

#### Nationwide Dealer Network

Quads Direct Ltd has a network of Approved Dealers conveniently located throughout the UK. As well as offering the highest levels of after-sales service, our Approved Dealers' technicians perform a PDI on every machine and are fully equipped to keep your product in peak condition with cost effective servicing. Of course, you can also be assured that only high quality, genuine Apache parts are used, with access to our 24 hour online parts ordering service for fast and efficient turnaround.

#### Apache Quality and Compliance

All Apache's are fully tested and conform to all CE / Road Use requirements, giving you total peace of mind.

#### Apache Technical Expertise

Apache's back up and technical expertise is renowned in the industry. With in-house experts in parts, service, technical, and workshop, the Apache experience is second to none. Expert advice, if required, is all but a phone call away.

#### Apache Service Centre & Accident Repair Centre

Our Midlands Technical Centre has extensive facilities to meet all of your servicing and accident repair requirements if required.

#### Website - 'Up to the Minute'

The Quads Direct 'Apache' website has all the latest news, views, products, offers and information - all updated every single day.

It's easy to see why Apache has become one of Britain's leading brands for Road Legal and Off Road Quads, ATVs and Vehicles.

#### Quad & ATV Parts - Online Ordering

It's all easy at 'EasyQuadParts' the UK's largest online store for replacement and service parts, accessories, race parts and more! All available to order via our dedicated parts website at: [www.easyquadparts.co.uk](http://www.easyquadparts.co.uk)

You'll find photographs of every part, up to the minute stock availability, prices, descriptions and more for almost every part you'd ever need for your quad.

#### How To Buy Apache
